Friday Quiet Roads Series Ride, August 12, 2022

June MacGregor, EBTC President and Ride Leader

Villeneuve to Chickakoo Lake Recreation Area, with a break at Muir Lake, is now a favourite route for me with its beautiful rolling hills, forests and scenery. It was a perfect summer day for 14 cyclists to enjoy this 52 km social ride. The long return downhill into Villeneuve left everyone smiling as those rolling hills meant that we had successfully conquered some 500 m of climbing. The August 19 Quiet Roads Ride is a 50 km loop starting at the Ardrossan Rec Centre.

Miquelon Lake Unique Rides Saturday, August 13, 2022

Phil Davidson, EBTC Treasurer and Ride Leader

A beautiful sunny day brought 36 riders to Miquelon Lake from Beaumont (95 km) and New Sarepta (43 km). Many thanks to our support crew for organizing a great lunch stop and keeping riders hydrated on the route. Check the Facebook group for more visuals.

Sunday Social Series Ride, August 14, 2022

June MacGregor, EBTC President and Ride Leader

It was an excellent day – sun/wind/temperature wise - to lead the 50 km loop from Ardrossan. To tell the truth, I was sweep (others led, as usual), and had to work to keep pace with our group of 8 who moved along steadily. We also had a pleasant break at Half Moon Lake (those cinnamon buns sure were tempting). The **August 21** ride starts at Villeneuve with the scenic Chickakoo Lake Rec Area as the destination for a break/lunch. With no water or food available on next week's route, riders need to bring their own.

From the Saddle

L'Etape Edmonton by Tour de France August 14, 2022

John Shaw, EBTC Newsletter Coordinator

Many EBTC members and half the EBTC Board participated in this well-run and well-supported inaugural event. I spotted EBTC board members **Anne-Marie Adachi**, and **Sandra McDonald** marshalling the course. **Danielle Amerongen** rode the 130 km route. I rode the 80 km route. There was a great atmosphere at the start, along the way and at the food and beverage tents at the finish. It reminded me of the Tour de l'Alberta event run for by EBTC. Based on the fast **completion times** over all, it seems to me that many of us had personal or at least age-graded personal best times.

Tour de Naiop, September 23, 2022

I planning on doing this supported **ride in aid of Ukraine** and thought other members might be interested.
